Re: Bond Adjustment, PacifiCorp, Cottonwood/Wilberg Mine, ACT/015/019, Folder #3, Emery County, Utah

Dear Mr. Semborski:

The Division has reviewed your November 16, 1999, request for an extension to submit a revised reclamation cost estimate for the Cottonwood/Wilberg Mine. Justification for the extension involved the need to include the "New Waste Rock Facility" into the cost estimate since it had inadvertently been left out previously. Your request is hereby granted. You should now provide the required bond information by no later than January 17, 2000.

If you have questions regarding this extension or the bond adjustment please contact me.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".

Daron R. Haddock
