Re: Reduction of Permit Area Will Not be Processed as a Bond Release, PacifiCorp,
Cottonwood/Wilberg Mine, ACT/015/019-BR98A, Folder #2, Emery County, Utah

Dear Mr. Semborski:

An application to reduce the permit area at this mine was submitted to the Division on January 27, 1998. This permitting action was initially considered a bond release by the Division. However, due to the fact that there is no reduction in the bond amount, this application will be considered a permit change.

The Division is currently assessing this permit change and will advise you of its status shortly. If you have any questions, please call me.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Pamela Grubaugh-Littig'.

Permit Supervisor
