RE: Miller Canyon Portals (Release of Reclamation Liability), PacifiCorp,
Cottonwood/Wilberg Mine, ACT/015/019-BR99D, Outgoing File

Dear Mary,

We reviewed PacifiCorp's request for release of reclamation liability for the Miller Canyon portals. Jeff DeFreest, District Geologist, participated in the interagency inspection conducted on November 1, 1999 and determined that the reclamation meets or exceeds the Forest's reclamation standards.

The Forest Service consents to the release request, with the provision that PacifiCorp continue to monitor water discharge as required under their UPDES and mine permits.

If you have any questions, contact us at the Forest Supervisor's Office in Price, Utah.

Sincerely,

Jeff Walter
