RE: Submittal of Clean Copies for the Change of Location, Mine Water Discharge Point
UPDES #001A, PacifiCorp, Cottonwood/Wilberg Mine, C015/019-AM01A

PacifiCorp, by and through it wholly-owned subsidiary, Energy West Mining Company ("Energy West") as mine operator, hereby submits seven (7) clean copies of the above referenced amendment. This amendment was conditionally approved in June, 2001 pending the clean copy submittal. The paperwork, however, was inadvertently taken out of the processing system by Energy West.

Please accept our apologies for this mishap and stamp approved so that we can close amendment C015/019-AM01A and incorporate it into the MRP. If you have any questions or concerns regarding this submittal, feel free to call me anytime at (435) 687-4720 or Dennis Oakley at (435) 687-4825.

Sincerely,

Chuck Semborski
Geology/Permitting Supervisor
