Re: Amendment to Cottonwood/Wilberg Mine Permit Volume 10: Waste Rock Site (UTU-65027) Revisions to Permit Maps, PacifiCorp, Cottonwood/Wilberg Mine, C/015/019-AM02A, Emery County Utah

PacifiCorp, by and through its wholly-owned subsidiary, Energy West Mining Company ("Energy West") as mine operator, submitted an amendment on January 30, 2002, revising maps related to the Cottonwood Waste Rock Site, BLM Right-of-Way UTU-65027.

During the review process it became apparent that the legal description submitted on December 8, 1999 and approved by the BLM on January 7, 2000 contained two minor meets and bounds errors. PacifiCorp hereby requests that amendment C/015/019-AM02A be withdrawn from the permitting process until PacifiCorp resolves the legal description discrepancies with the BLM.

If you have any questions or concerns regarding this amendment withdrawal, please feel free to contact me at 687-4720.

Sincerely,

Charles A. Semborski
