Alyson,

No problem, that's our job!

I have uploaded all of the ok'd data from the pipeline. A report is attached.

Please let me know if I can do anything else for you.

Dana-

Thanks for uploading, and thank you, and Jim, for pointing out what we are missing, it makes my life easier because I don't have to go through all of last years stuff and double check to make sure it's all there. Let me know if there's any other information that you need.

I'm in the process of entering second quarters operational stuff, so there are several ok'd sites that can be uploaded at your convenience and there ought to be more tomorrow if I don't get roped into a different project.

Alyson
