Re: Reduction in Permit Area, PacifiCorp, Cottonwood/Wilberg Mine,
C/015/0019, Task ID #1806, Outgoing File

Dear Mr. Semborski:

Enclosed please find two original permits with revised legal descriptions that reflect a change in the permit area due to squared off northern boundaries and relinquished lease areas at the Cottonwood/Wilberg Mine. The permit area is reduced from 11,508 acres to 6,886 acres (62.82 acres of disturbance). The areas removed are still under permit at the Deer Creek Mine.

Please have the designated official sign both original permits and return one to the Division. The stamped copy for incorporation of the approved changes is enclosed. If you have any questions, please call me or Pamela Grubaugh-Littig.

Sincerely,

Lowell P. Braxton
