Re: Permit Renewal Violation # N04-1-1-1, Energy West Mining Company,
PacifiCorp, C/015/0019, Outgoing File

Dear Mr. Oakley:

Unfortunately, our efforts to ensure a timely permit renewal application for the Cottonwood /Wilberg facility have not been successful. The application was due on March 6, 2004 and received by our office on May 10, 2004. The attached notice of violation also includes a termination notice and requires no further action by you. I believe we can be more successful with future permitting obligations. If you have any questions, please call Joe Helfrich at (801) 538-5290.

Sincerely,

Daron R. Haddock
Permit Supervisor
