Linda,

Sorry for the delay in responding. After talking with our corporate secretary's office, we were instructed to note on each of the attached charts the following phrase "Unless otherwise noted, ownership is 100%". The revised charts provided with this e-mail can serve as replacement charts. Please remove and replace accordingly. Hopefully, this addresses your concerns with this matter.

In response to the other issue regarding PacifiCorp Holdings, Inc., our corporate secretary is in the process of locating the documentation so we can send it you.

In the interim, I wanted to respond with the latest information to bring you up to date thus far. Hopefully they will get the information to me soon.

Thanks,

Scott M. Child

On the question of % of ownership, did you mean just the % ownership for the mining companies? Just clarifying things.....

Thanks,

Hi Scott,

It was nice talking with you.

Per our phone conversation:

Please send me the updated information on Pacificorp Holdings Inc. Specifically if you have corporate minutes stating that this company is no longer in business or whatever the case may be so that I can end them from the ownership of Pacificorp. I will forward the O/C in my next email.

Also on the chart that was provided with the updates could you include the % of ownership for each company so that I can enter that information in the AVS database?

Thanks.
