Subject: Extension of Time to Complete Midterm Review Response, Task ID #3940, Energy West Mining Company, Cottonwood Wilberg Mine, Permit C/015/0019

Dear Mr. Fleck:

During the Midterm permit review for the Cottonwood Wilberg Mine the Division identified deficiencies that needed to be addressed as an amendment to your MRP. The amendment with the accompanying C1 and C2 forms was to be submitted by January 13, 2012. On January 11, 2012, we received your request for an extension of time to complete the submittal. You are hereby granted a 30 day extension to February 13, 2012 to make the required submittal.

If you have any questions regarding this extension or the requirements of the Midterm Review process, please don't hesitate to call me at 801-538-5325.

Sincerely,

Daron R. Haddock  
Coal Program Manager
