Subject: Conditional Approval to Remove Volume 10 (Waste Rock Site), PacifiCorp, C/015/0019, Task ID #4789

Dear Mr. Fleck:

The above-referenced amendment is approved conditioned upon the Cottonwood Waste Rock Site being added to the Trail Mountain mine permit, and receipt of 2 clean copies prepared for incorporation. Please include in the clean copies:

1. An up-to-date UPDES permit.
2. P.E. certified maps.
3. The referenced transfer date of the waste rock site updated from January 2015 to the final approval date.

Please submit these copies within 30 days of the approval of the Waste Rock Site becoming part of the Trail Mountain Mine. Once we receive these copies, final approval will be granted. A stamped incorporated copy of the approved plans will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan.

If the Waste Rock Site is not approved to be added to the Trail Mountain mine, this conditional approval will be withdrawn.

If you have any questions, please call me at (801) 538-5325.

Sincerely,

Daron R. Haddock
Coal Program Manager
