Memo to Coal File:

RE: Co-op Mining Company
Bear Creek Canyon Portal
Emery County, Utah
ACT/015/025

Mr. Darrell Leamaster of the Castle Valley Special Service District, in Emery County, Utah, 748-5333, called the Division on the afternoon of August 9, 1979 concerning Co-op Mining Company's proposed Bear Creek Canyon Portal. The service district is concerned about the mining operation as it is located near a spring, located in Bear Canyon, that is a source of their water supply.

Mr. Leamaster was directed by Mike Thompson to submit written objections to the chairman of the Board. He was directed to do so at this time and not to wait until the publication period after tentative approval is issued.
