Inspection Memo  
to Coal File:

RE: Bear Creek Canyon Portal  
Co-op Mining Company  
ACT/015/025  
Emery County, Utah

The above operation was visited on December 17, 1979 for the purpose of a follow-up inspection by Division personnel Joe Helfrich and Doug Stewart. They were accompanied by Bill Stoddard, Foreman of the Co-op Mining Company.

1. Cessation order had been issued, dated November 27, 1979, to the above mentioned Co-op Mining Company's property for proceeding without an approved notice of intent to commence mining.
2. Visit to site to determine if cessation order was being observed by the company. Such was the case. No work being done at this site.
3. The entrance gate to the property is chained and locked. The foreman, Bill Stoddard, is charged with keeping entrance locked until go-ahead approval is received by his company.
