Dear Mr. Kingston:

As per your recent telephone conversation with Yvonne M. Woods, of my office, enclosed are OSM 837-1 forms to be duly completed and returned, along with the reclamation fee. In order to assist you and expedite the return, we have inserted most of the basic information that must be contained. Please insert the calendar quarter ending dates and other required information for Blocks 1, 3, 7 (c, d, e, f, g, h) and 9. Also, if there are any changes in address, telephone, etc., please make a note of it in Block 11 so we may change our records accordingly.

Upon completion of these forms, sign them, have them notarized, and send them, along with your check to:

Office of Surface Mining
 ATTN: Fee Collection
 P.O. Box 25065
 Denver, CO 80225

You may attach just one check for the total amount due for all quarters, if you so desire. Upon receipt of the completed OSM 837-1 forms, you will be billed by our Finance Department for interest due for late payment of the fee at a rate of 1% per month, beginning 1 June 1978.

Also enclosed is a copy of the Regulations and Public Law 95-87, in part, that pertains to the reclamation fee.

Sincerely yours,

LOUIS G. HENRIKSEN
 Acting Chief, Branch
 of Fee Compliance
