Board Order & Fine

Dear Mr. Owen:

Enclosed you will find the Board's Order dated January 23, 1980. The Division's records are lacking as to the date you officially received this Order, thus it is being sent to you under a registered cover.

Please note that the \$2,500.00 fine which was levied by the Board is required to be paid within 30 days of the time you received the Order, or the amount escalates.

As you know, the issuance of tentative approval to the Bear Creek Canyon Mine is under consideration of the Division presently. One condition of that approval will be that the fine be paid.

Please contact me if there are any questions.

Sincerely,

Ronald W. Daniels
