RE: Interim Regulatory Program  
Final Approval  
Bear Creek Canyon Portal  
ACT/015/025  
Emery County, Utah

Dear Mr. Owen:

Pursuant to the Utah Coal Mining Reclamation Act and the interim regulations adopted thereunder, the Division of Oil, Gas and Mining hereby issues final approval to Co-op Mining Company for the Bear Creek Canyon Portal. This approval applies only to the interim regulatory program.

As you know, a separate and new submittal is required to be made under the permanent program regulations. That application will be reviewed in light of the permanent regulations and a new approval will be issued upon fulfillment of all requirements.

Please be advised that all operations must be conducted according to the currently approved interim mining and reclamation plan and that compliance with all applicable permanent program performance standards in Section UMC 817 is required.

If you have any questions regarding this approval please call.

Sincerely,

JAMES W. SMITH, JR.  
COORDINATOR OF MINED LAND DEVELOPMENT
