RE: Bear Canyon Scalehouse Permit
for Abatement of NOV N83-5-7-1
ACT/015/025
Folder Nos. 3 and 7
Emery County, Utah

Dear Mr. Smith:

Attached is a reply to your June 16th inquiry and request for additional information.

The Co-Op is attempting to rectify any discrepancies which may have developed through misunderstandings relative to both the road situation and the hydrology associated with this disturbance. We would like to express our appreciation to your technical staff and especially those individuals which met on site on July 14th. Their cooperation was evident and I'm sure will be invaluable in satisfying the balance of our permit requirements.

Sincerely,
