Dear Mr. Coonrod:

I received your photo's showing the Co-op oil slack loadout facility and feeder conveyor systems and the narrative explaining each.

The above material completes the required submittal form Co-op to terminate NOV N83-5-8-3.

I apologize for not getting you this acceptance letter in a timely fashion due to a mix up of assignments.

If there are any questions that may arise concerning this matter, please call.

Sincerely,

Shannon Storrud
Reclamation Engineer
