RE: 4/23/85 Letter NOV N85-4-8-2

Dear Dr. Nielson:

Co-Op requests a 30 day extension to complete the abatement as outlined in 4/23/85 letter: Co-Op has requested Mr. Tom Munson of your Agency to advise Co-Op on a number of hydrologic concerns. Mr. Munson has tentatively agreed to tour the property with myself, and Mr. Lee Wimmer, our consultant during the latter part of the week of 4/8 or 4/15. The area of the pad and disturbance encompasses a ditch alignment and is one of the objectives to be resolved during this on-site visit.

I would appreciate your reply as soon as possible.

Best Regards,

Melvin A. Coonrod
