RE: Co-Op Mine Bear Canyon T.A.

Dear John:

Please find attached, Co-Op Mine's T.A. response, Bear Canyon Mine. The Hydrology sections are not included due to the necessity of coordinating an on-site meeting with Co-Op consultants and the scope of work involved. This material will be supplied within the next 30 days.

Also, easements from U.P.& L. and Emery County Special Service District have been requested, but have not arrived. They also will be supplied when Co-Op receives them.

Co-Op appreciates your efforts in this regard.

Sincerely,

Melvin A. Coonrod
