Gentlemen:

Please be advised that Mr. Wendell Owen will no longer be involved in the direct supervision of Mel Coonrod as Co-op official in charge of our compliance program with your Division and staff. Mr. Nathan Atwood will replace Mr. Owen in this capacity, effective immediately. Mr. Coonrod will stay on as Permitting & Compliance Director at Co-op. Mr. Atwood's mailing address is P.O. Box 300, Huntington, Utah 84528. All dealings and correspondence which formerly would be directed to Mr. Owen, should in the future be directed to Mr. Atwood.

Your prompt attention to this matter will be appreciated.

Very truly yours,

Elden Kingston
