Dear Mr. Page:

RE: Water Rights Applications and Approvals, Co-Op Mining
Company, Bear Canyon Mine, ACT/015/025, #2 and #9, Emery
County, Utah

Enclosed are copies of the water rights applications and approvals from the Co-Op Mining and Reclamation Plan (MRP) for the Bear Canyon Mine. These were submitted as legal documents in Chapter 7 of the MRP. Would you please check the status of these and advise me if all have been approved by your office.

Additionally, our Division anticipates final approval on this mine plan October 15, 1985. Could you please advise us if your office has any concerns pursuant to this permit prior to that date. Thank you for your cooperation in this matter.

Sincerely,
