In a letter dated December 23, 1985, you were requested to file an annual report on your mining operation by March 31, 1986. To date this report has not been received. The final deadline for receipt of the annual report in this office will be May 19, 1986. If the report is not received by that date, enforcement action will be taken.

Please feel free to contact me if you have particular problems with filing of the report.

Sincerely,
