RE: Bear Canyon Mine ACT/015/025  
Permit Modification

Dear Mr. Whitehead:

Please find attached 14 packets of information relative to a proposed change in the existing Permit Area of the Bear Canyon Mine.

Co-Op Mining wishes to expand its existing permit to include an additional 160 acres of Fee Property presently owned by COP Development Company and leased to Co-Op mining.

There is no new disturbance associated with the proposed expansion of the permit boundary.

The packets attached should be incorporated into the existing permit as follows:

Item #1

1. Appendix 2-B [Chapter 2 Vol. 1 added to the existing Appendix 2-B].
2. Table 3-1 [Chapter 3 Vol. 1 page 3-11A to replace existing page 3-11A].
3. Page 3-34 and 3-34A [Chapter 3 Vol. 1 to replace existing page 3-34 and 3-34A].
4. Appendix 3-J Chapter 3 Vol. 1  
This is a new Appendix referenced on page 3-34 and should be inserted into the end of Chapter 3 ahead of the Map Panels and following Appendix G.

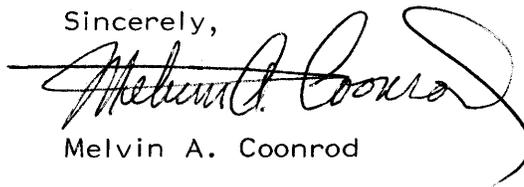

5. "Notice of Filing Application etc."

This document is a copy of the filing Co-Op intends to submit to the newspapers at the point the Division deems the application complete, and as such, is for Division Review only to see if it is adequate for publication.

Mr. Karl Kingston has paid the application fee of \$5.00 as per your request of 2/2/88.

I hope this information will help to expedite the review and approval of this request.

Sincerely,
