RE: New Permit, Fee Lease Addition, Co-Op Mining Company, Bear Canyon Mine,
ACT/015/025-2, Emery County, Utah

In Reply Please Refer to Case No. J804

Dear Mr. Whitehead:

The staff of the Utah State Historic Preservation Office reviewed your letter of 23 February with the information concerning Co-Op Mining Company's preliminary plans for a lease addition to the Bear Canyon Mine. It appears that no additional surface disturbance is planned and it is unlikely that this addition should have any impact on any cultural resources which may be located in the proposed lease addition area.

The above is provided on request as outlined by 36 CFR 800 or Utah Code, Title 63-18-37. If you have questions or need additional assistance, please contact Charles Shepherd at (801) 533-7039, or 533-6017.

Sincerely,

A. Kent Powell
Deputy State Historic Preservation Officer
