Dear Mr. Coonrod:

Re: Mid Term Review, Co-Op Mining Company, Bear Canyon Mine,  
ACT/015/025, Folder #2, Emery County, Utah

This letter is to notify you that the Division is initiating the mid-term permit review on the Bear Canyon Mine as required by UMC 788.11. It has already been determined, based on the recent effort to include federal leases to the Bear Canyon mine plan, that substantial outdated and incorrect information exist in the MRP. Therefore, Co-Op Mining Company is hereby directed to initiate updating/correcting the mine plan for Bear Canyon immediately, and submit a recompiled, corrected version to the Division no later than April 8, 1988.

In order to complete the review in a timely fashion, the following schedule is proposed.

<u>April 8, 1988</u>	Co-Op submits a corrected, updated MRP for the Bear Canyon Mine.
<u>April 21, 1988</u>	site visit by DOGM staff to ascertain compliance with all permit conditions and MRP commitments.

May 6, 1988 DOGM notifies Co-Op of any updates or changes needed in the MRP.

June 3, 1988 Co-Op submits responses to changes requested in the Division's letter of May 6, 1988.

Thank you for your cooperation in this upcoming review. Please feel free to contact me or John Whitehead if you should have any questions regarding this matter.

Sincerely,
