Dear Mr. Hansen:

Re: Approval of Request for Extension on Submission of Third Quarter Water Data, Co-Op Mining Company, Bear Canyon Mine, ACT/015/025, Folder #3, Emery County, Utah

This letter is in response to a letter received by the Division, signed by Melvin A. Coonrod, dated October 31, 1988, requesting a one-month extension to submit the third quarter water data.

The Division approves a one-month extension. Please assure that July, August, and September data is submitted as one package, and that October, November and December data is submitted as a separate package. Accordingly, third quarter data will be due in the Division office no later than November 30, 1988.

Also, please note, Wayne Hedberg does not work in the coal program any longer. Please address any correspondence relating to Trail Canyon or Bear Canyon to either Lowell P. Braxton or John Whitehead. Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in cursive script that reads "John J. Whitehead".
