Mr. Smith,

Ref: PAP change copies and Substitute Topsoil Material, Bear Canyon Mine, Co-Op Mining Company, ACT/015/025, Emery County, Utah.

Attached are two copies of Appendix 8-D. The text is the same as was sent to DOGM in June with the exception of page 8D-3 which now references the monitoring area defined by Henry Sauer of DOGM last month. Also attached are three copies of changes made in the PAP with accompanying letter, to send to OSM and the Price office. I only had two copies of Plates 2-4, 3-4, and 7-1, so I will forward an additional copy for the Price office. Copies of this letter and Appendix 8-D are incorporated with the three copies.

If there are any additional items that require attention please let me know.

Thank you,

Kimly C. Mangum, P.E.
