Pamela:

Ref: Ball Park Topsoil Storage Pad, Blind Canyon Portals, Bear Canyon Mine, ACT/015/025, Co-Op Mining Company, Emery County, Utah

Please be advised that reseeding of the Ball Park Topsoil Pile will be completed this fall as scheduled. I was informed today that seedbed preparation will be ready for your review this Friday, 12 October 1990. Seeding is scheduled for Monday, 15 October 1990. Also the Blind Canyon portals have been made. Installation of the Ventilation Fan, etc. will be completed when demanded by mining conditions.

Thank you,

Kimly C. Mangum, P.E.
Permitting & Compliance Consultant.
