DIVISION OF
OIL, GAS & MINING 19 October 1990

Pamela:

Ref: Sediment Pond "A", Bear Canyon Mine, Co-Op Mining Company,
ACT/015/025, Emery County, Utah

Attached with this letter are 14 copies of two pages proposed to be added to the MRP; p 7I-8 and 7I-9. These pages include the results of the resurvey, inspection and certification of Sediment Pond "A". This certification and resurvey should close the open items dealing with the sediment pond.

All material removed from the sediment pond will be placed in the sediment pond waste storage area shown on Plate 2-4, as defined in Appendix 3-K. If there are any additional concerns about this matter please notify me and Co-Op.

Thank you,

Kimly C. Mangum, P.E.
Permitting & Compliance Consultant.
