Re: Blind Canyon Portals in Middle Seam, Co-Op Mining Company,
Bear Canyon Mine, ACT/015/025-90D, Folder #3, Emery County,

This letter will inform you that the above-mentioned amendment was approved on August 3, 1990, with the stipulation that the applicant must submit the Division of Wildlife Resources (DWR) raptor survey to the Division (DOGM) by September 28, 1990.

If any new information concerning threats or disturbances to nesting raptors is included in the survey, the Division may then require additional information from the applicant.

Sincerely,

A handwritten signature in cursive script that reads "Pamela Grubaugh-Littig".
