Ref: Conditional Approval for Hoist Road, NOV N91-35-1-1, Bear Canyon Mine, Co-Op Mining Company, ACT/015/025, Emery County, Utah

Attached with this letter are 4 copies of Pages 3D-11, 7-66 and Plate 3-6. Additional copies will be forwarded to the Division upon request. Each item listed in the Conditional approval letter received by Co-Op Mining Co. on 22 May 1991 have been addressed as requested in this submittal.

- Item #1. The catch basin rip-rapped overflow is now included on Plate 3-6 which bears a professional engineers stamp.
- Item #2. The hoist anchor has no appreciable effect on the overall storage capacity of the catch basin, and will not jeopardize the structure's effectiveness during the design event. See attached page 7-66.
- Item #3. After construction of the catch basin, certified as-built maps of the structure will be submitted to the Division. These maps will comply with current regulatory guidelines for such maps.
- Item #4. Four updated complete sets of copies are submitted with this correspondence.

This should close this issue.
