Pamela:

Ref: Pre-1977 Disturbed Areas, Bear Canyon Mine, Co-Op Mining Company, ACT/015/025, Emery County, Utah

Attached are 2 copies of Plates 2-4A thru 2-4D. The Pre-1977 Disturbed Area boundaries have been modified as agreed upon by the Division. I have received no communication concerning the 7-1 Plates submitted for review last week. This is the first time that these plates have been submitted after being completely digitized and plotted.

The Shop Pad enlargement is incorporated into Plate 2-4C(See NOV #N91-26-7-2). The prints are marked "DRAFT" to differentiate them from previously submitted maps. Four copies will be forwarded to the Division upon receipt of written approval.

Thank you,
