Dear Mr. Owen:

Re: Average Annual Depletion and Surface Flow, Federal Lease Tract, Co-Op Mining Company, Bear Canyon Mine, ACT/015/025, Folder #2, Emery County, Utah

Attached please find OSM comments that were forwarded to you June 11, 1990. As stated in paragraph 3, "Co-Op must provide an estimate of the average annual depletion of surface flow (acre-feet) that will result from all operations at the Bear Canyon Mine (i.e., operations on Non-Federal and Federal lands)."

Please provide this information to the Division as soon as possible so that OSM may begin consultation with the U.S. Fish and Wildlife Service.

Sincerely,

A handwritten signature in cursive script, reading "Pamela Grubaugh-Littig".
