DIVISION OF
OIL GAS & MINING

Dear Pamela:

Re: NOV #N91-35-8-1, Bear Canyon Mine, Co-Op Mining Company, ACT/015/025, Emery County, Utah

Three copies of Plate 7-1C and pages 3-48, 3-48A, 7-90, 7-91, 7-103, and 7-104 were submitted under a separate letter, attached. Page 7-104 has been corrected to show 1" = 10' instead of 1" = 1'. If these pages are not acceptable please notify me.

As stated previously in correspondence concerning this issue the proposed abatement procedure followed past agreements made between the Division and Co-Op. See M.E.C. letter dated 5 January 1991. It appears that a meeting to help resolve any open issues may be in order. I discussed a potential meeting with Hugh Klein on Monday and I look forward to reaching an agreement that is satisfactory to both the operator and the Division.

Thank you,

Kimly C. Mangum, P.E.
