Dear Pamela:,

Re: Approval Orders, State of Utah, Department of Environmental Quality, Division of Air Quality, Bear Canyon Mine, Co-Op Mining Company, ACT/015/025, Emery County, Utah

During a recent on-site inspection of records there was a concern expressed regarding two approval letters that were apparently unsigned (pp 11B-2 thru 11B-5). Attached are two copies of a letter (submitted as 11B-6) showing that the referenced State Division of Air Quality certifies these two approval letters.

The two copies area marked "DRAFT" to allow for review and approval procedures. This is a simple issue, a speedy reply would be appreciated. Thank you for your cooperation concerning this matter.

Sincerely,

Kimly C. Mangum, P.E.
