DIVISION OF  
OIL GAS & MINING

Dear Pamela:

Re: Updated Plates, Co-Op Mining Company, Bear Canyon Mine, ACT/015/025. HE  
Emery County, Utah 2

Attached are two copies of Plates 2-4B, 2-4C, 7-1B, 7-1C, 7-1D, 7-5, 8-5B, and 8-5C. Minor corrections have been made as discussed in the last few days. Other than correctly labeling ditch D-10aD and C-2U on Plate 7-1C, all of the changes have been included in past proposals. The key issue modified is the revision table and the changes should be self explanatory.

The new approved column (appr.) will clearly differentiate these copies from those previously submitted. Please notify us upon approval and additional copies can be forwarded to the Division with the new approval dates added. I hope that these plates will be able to clear up the remaining open issues. Please notify me if there are any questions.

Thank you,

Kimly C. Mangum, P.E.
