Dear Ms. Grubaugh-Littig,

Re: Revised Hydrogeologic Evaluation of the Bear Canyon Mine and Proposed Expansion Areas, Co-Op Mining Company, Bear Canyon Mine, ACT/015/025, Emery County, Utah

This submittal is made at the direction of Co-Op Mining Co. Enclosed is a copy of the referenced report recently completed by EarthFax Engineering, Inc. This report addresses all issues brought up during public hearings held on the permit renewal and expansion in 1990.

Co-Op requests that the Division review the enclosed report and use the included data and information in their determination for permit expansion into the Federal Lease area. Please notify Co-Op if there are any additional requirements for permitting the federal lease areas requested in 1990. Your cooperation in completing the Division review will be greatly appreciated.

Thank you,
