Dear Ms. Grubaugh-Littig,

Re: Water Rights Information, Co-Op Mining Company, Bear Canyon Mine,
ACT/015/025, Emery County, Utah

#2

This submittal is made at the direction of Co-Op Mining Co. Enclosed are two copies of Page 7-49 and Appendix 7-C (dated 8/92). Table 7.2-1 on page 7-49 has been updated to include an expanded list of water rights in the mine area. Appendix 7-C has been modified to incorporate the related information for these water rights (pp 7C-2 thru 7C-45). With exception of the old photo-copied state water rights pages, the previously approved pages are included with new page numbers (pp 7C-46 thru 7C-53). Applicable paperwork from a recently approved "Change Application is also included (pp 7C-54 thru 7C-65).

This proposed amendment has been kept separate from other proposals to simplify the process. Please review this proposed amendment to the plan and notify me if there are any questions. Additional copies will be forwarded to the Division upon approval.

Thank you,
