Dear Mr. Owen:

Re: Revised Surface Disturbance Area, Bear Canyon Mine, Co-Op Mining Company,
ACT/015/025-92C, Folder #3, Emery County, Utah

Information that was submitted to the Division February 6, 1992 regarding the revised surface disturbance area will need to be revised. Due to the designation of "disturbed", as a result of the coal fines being deposited, Division Order 92-C has been issued to address these items. Therefore, the information submitted February 6, 1992 is not approved.

If you have any questions, please call me.

Sincerely,

A handwritten signature in cursive script, reading "Pamela Grubaugh-Littig".
