Dear Mr. Owen:

Re: Division Order DO-92C and Abatement of NOV N91-35-8-1, Co-Op Mining Company, Bear Canyon Mine, ACT/015/025-DO-92C, Folder #3, Emery County, Utah

The above-noted Division Order is approved. The areas noted as "affected areas" referenced in this Division Order are not considered severely disturbed lands, but due to the coal fine accumulation these areas are being included in the disturbed area. Topsoil has not been salvaged nor has grading occurred. Therefore, please be reminded that **prior to any and all mining and reclamation operations**, the Division must review and approve all activities prior to commencement of those activities.

Sincerely,
