Dear Pamela,

Re: 1991 Plant Survey and Appendix 11B, Co-Op Mining Company, Bear Canyon Mine, ACT/015/025, Trail Canyon Mine, ACT/015/021, Emery County, Utah

This submittal is made at the request of Co-Op Mining Co to address the referenced issues. Attached are two copies of pages 9-iii, 9-10, 9B-1, 9B-3 and 9B-4 (7/91). These pages were submitted in 1991 to address threatened or endangered species in the mine area. Two copies of page 11B-6 are also enclosed and was submitted in March 1992 to clarify "unsigned" letters in the same appendix. No comments have been received to date from the Division concerning these issues.

Please notify me if there are any questions or concerns regarding this submittal so the issues can be closed and the updated pages incorporated into the mine plan. Pages have been marked "DRAFT" to differentiate them from approved pages.

Thank you,

Kimly C. Mangum, P.E.
