Ms. Grubaugh-Littig,

Re: Appendix 7-M Deficiency Response, Co-Op Mining Company, Bear Canyon Mine, ACT/015/025-92T, Emery County, Utah

#2
This submittal is in response to Hugh Klein's deficiency memo dated January 8, 1993 (Division letter dated January 13, 1993).

The enclosed proposed Appendix 7-M has been revised after verbal discussion between Charles Reynolds and Hugh Klein. The data in the Appendix is being incorporated into the MRP and it is understood that this submittal is not for the purpose of meeting the Federal Lease monitoring requirements. The appendix has been revised for incorporation into the existing MRP as additional monitoring points. Baseline monitoring data for the Federal Lease will be incorporated into this Appendix as it is obtained. When monitoring requirements have been met, the data will be incorporated into the Federal Lease package. Please replaced the previous submittal with the current package. If you have any questions, contact Charles Reynolds at (801) 381-2450.

Thank You,

Wendell Owen,
