Ms. Grubaugh-Littig,

Re: Coal Crusher and Screen Purchases, Co-Op Mining Company, Bear Canyon Mine, ACT/015/025, Emery County, Utah

This letter is in response to a letter received from you dated June 3, 1993, regarding the purchase of coal crushers and screens. Co-Op Mining Company does not own a loadout. The loadout referred to in the letter is owned by Railco, Inc. Co-Op Mining Company does not own any coal stored at the loadout. All coal produced by Co-Op Mining Company is sold to Standard Industries, and shipped by them.

To my knowledge, no coal processing and preparation is performed by Railco, Inc., and no future preparation is anticipated. All coal preparation on coal produced by Co-Op is performed by Co-Op at the Bear Canyon Mine. Any coal crushers, screens, or other preparation equipment purchased by Co-Op would be for use at the Bear Canyon Mine.

If you have questions, please call me.

Thank You,

E. W. Stoddard
