DIVISION OF
OIL GAS & MINING

Ms. Grubaugh-Littig,

Re: Legal and Financial Information, Co-Op Mining Company, Bear Canyon Mine, ACT/015/025-93E, Emery County, Utah

Enclosed is a submittal made at the request of the Division per letter dated June 15, 1993.

Recently C.O.P. Coal Development moved their offices. The proposal includes the new address. The proposal also includes other updates to the ownership information.

It was also found that during recent permitting actions involving the Federal Lease areas, ownership information on the Federal Leases were incorporated into the existing mine plan. Since the Federal Leases are not currently a part of the existing permit, Co-Op feels this information should be in the Federal Lease application and was added to the existing permit in error. This information has been removed in this proposal and will be incorporated into the Federal Lease application.

Pages have been marked DRAFT to distinguish them from previously approved material. Upon approval, finalized copies will be submitted to the Division. If you have any further questions, please call Charles Reynolds at (801) 381-2450.

Thank You,

Wendell Owen,
Resident Agent
