Dear Mr. Owen:

Re: Denial of Removal of Ball Park from Permit Area, Bear Canyon Mine, Co-Op Mining Company, ACT/015/025-93A, Folder #3, Emery County, Utah

The proposal to remove the Ball Park topsoil storage area from the disturbed and permit area boundaries has been reviewed and is denied. This Ball Park area was originally disturbed for the purpose of storing topsoil for reclamation of the coal mine which is a mining-related activity and, therefore, must meet the applicable bond release requirements prior to deletion from the permit area. Please see the attached memos for more detail.

If you have any questions regarding this situation, please call me.

Sincerely,

A handwritten signature in cursive script that reads "Pamela Grubaugh-Littig".
