Dear Mr. Owen:

Re: Publication, Tank Seam Revision, Co-Op Mining Company, Bear Canyon Mine, ACT/015/025-93B, Folder #2, Emery County, Utah

Charles Reynolds called to notify me on July 20, 1993 that the publication of the Tank Seam revision by the Newspaper Agency Corporation had errored by only publishing twice, June 29 and July 6, 1993. However, the publication dates in the Sun Advocate and the Emery County Progress were June 22, June 29, July 6, and July 13, 1993.

Due to the fact that there were four consecutive weeks of publication in the "locality of the proposed coal mining and reclamation operations", the publication is considered adequate.

If you have any questions, please call me.

Sincerely,

A handwritten signature in cursive script that reads "Pamela Grubaugh-Littig".
