Re: Well DH-4 Construction, Co-Op Mining Company, Bear Canyon Mine, ACT/015/025, Emery County, Utah

This letter is to notify the Division that Co-Op Mining Company is installing Monitor Well DH-4 immine.

The drilling phase is scheduled to be performed beginning January 24, 1994 and ending January 26, 1994 and will be supervised by EarthFax Engineering under the authorization of Zimmerman Well Service (License #55).

Installation of the well will be performed on January 31, 1994 by Dutch Zimmerman of Zimmerman Well Service.

A representative of your office is invited to observe any or all of the well installatino. If you would like to attend, please notify Charles Reynolds at (801) 381-2450 by January 20, 1994 so that arrangements can be made for training, transportation, etc.

Thank You,

Wendell Owen
