Re: Federal Lease U-024316, Technical Deficiency Response Extension, Co-Op Mining Company, Bear Canyon Mine, ACT/015/025-97-1, Folder #3, Emery County, Utah

Dear Mr. Owen:

Your request to extend your response submittal, regarding the Federal Lease U-024316 (Tank Seam) deficiencies, to July 23, 1997 is accepted. We hope this extension allots you the time needed to provide a document that can be quickly reviewed and approved by the Division.

Please call me, or any of my technical staff if you need clarification on the requirements outlined in the Technical Analyses.

Sincerely,

A handwritten signature in cursive script that reads "Daron R. Haddock".
