Re: Water Monitoring Report, 3rd Quarter, 1998. C. W. Mining Company
ACT/015/025, Carbon County, Utah

Enclosed is the Water Monitoring Report for the 3rd Quarter of 1988. No water monitoring was required in the Third Quarter for the Trail Canyon Mine. The flows for NPDES 004 (Mine Water Discharge) have been corrected from the previously reported flows. The discrepancy in flows were due to a computer calculation error. Please update your records with the corrected flows.

If you have any questions, please call me at (435) 687-2450.

Sincerely,
